

# CISO Workplace Admin

## 📦 New Module Release

We've just dropped a new module (MVP version): **CISO Workplace Admin**

**URL:** <https://admin.cytechint.io>

A screenshot of the CyTech login interface. At the top is the CyTech logo, which consists of a stylized 'C' made of orange and green geometric shapes, followed by the text 'CyTech' in a bold, sans-serif font, and the tagline 'People. Process. Technology.' in a smaller font below it. Below the logo are two input fields. The first is labeled 'Username' and contains a placeholder 'Enter your username' with a red border and a red error message 'Username is required' below it. The second is labeled 'Password' and contains a placeholder 'Enter your password' with a red border, a red error message 'Password is required' below it, and a toggle icon on the right. Below the password field is a blue 'Sign in' button. At the bottom, there is a 'Legal Disclaimer' text: 'By using this site you agree to the community Terms and Conditions', where 'Terms and Conditions' is a blue link.

## 📦 New Features:

### 1) Show all Active Clients
