

CISO Workplace Admin

📦 New Module Release

We've just dropped a new module (MVP version): **CISO Workplace Admin**

URL: <https://admin.cytechint.io>

A screenshot of the CyTech login interface. At the top is the CyTech logo, which consists of a stylized 'C' made of orange and green geometric shapes, followed by the text 'CyTech' in a bold, sans-serif font, and the tagline 'People. Process. Technology.' in a smaller font below it. Below the logo are two input fields. The first is labeled 'Username' and contains a placeholder icon of a person and the text 'Enter your username'. Below this field is a red error message 'Username is required'. The second is labeled 'Password' and contains a placeholder icon of a padlock and the text 'Enter your password', followed by an eye icon to toggle visibility. Below this field is a red error message 'Password is required'. At the bottom of the form is a large blue button with the text 'Sign in'. Below the button is a line of text: 'Legal Disclaimer: By using this site you agree to the community [Terms and Conditions](#)'.

📦 New Features:

1) Show all Active Clients
