

CISO Workplace Admin

📦 New Module Release

We've just dropped a new module (MVP version): **CISO Workplace Admin**

URL: <https://admin.cytechint.io>

The screenshot shows a dark-themed login form for CyTech. At the top left is the CyTech logo, which consists of a stylized 'C' made of three overlapping geometric shapes (orange, green, blue) and the text 'CyTech' with the tagline 'People. Process. Technology.' below it. Below the logo, there are two input fields. The first is labeled 'Username' and contains a person icon, the text 'Enter your username', and a red error message 'Username is required' below it. The second is labeled 'Password' and contains a lock icon, the text 'Enter your password', a visibility toggle icon (an eye with a slash), and a red error message 'Password is required' below it. At the bottom of the form is a blue button labeled 'Sign in'. Below the button is a 'Legal Disclaimer' that reads: 'Legal Disclaimer: By using this site you agree to the community [Terms and Conditions](#)'.

📦 New Features:

1) Show all Active Clients
