

Daily Update: August 1

Here are the main updates of the CISO Workplace:

CIM Updates:

Added Edit Functionality for Case Description:

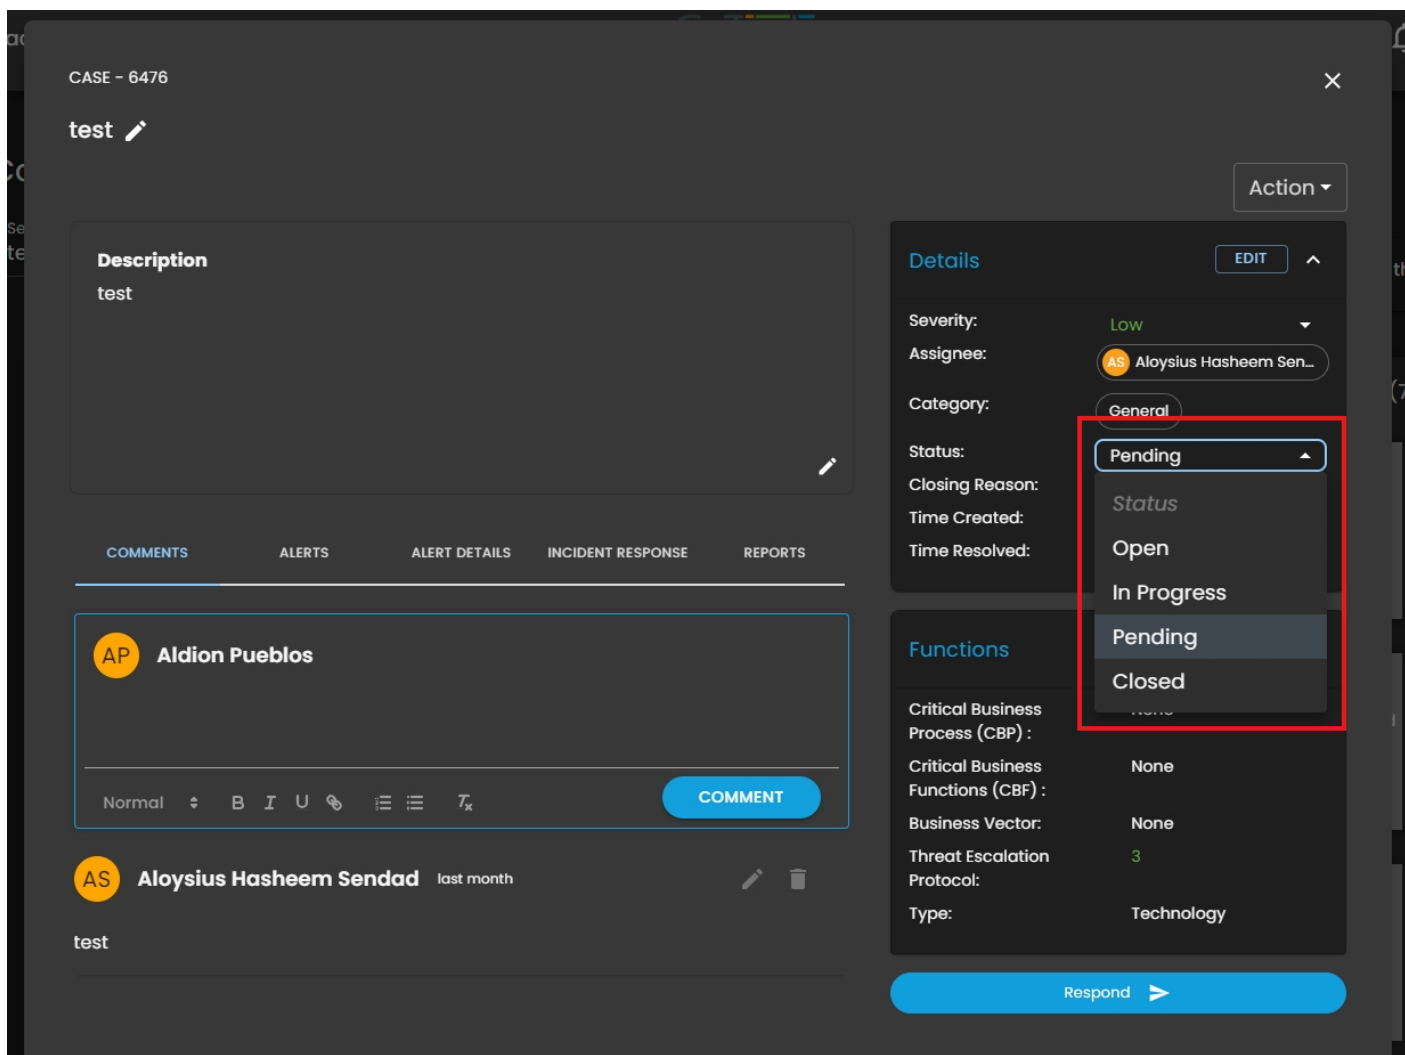

"Re-investigate" Closed Cases. When cases are re-investigated, they are automatically set to "In-Progress".

Streamlined changing of Case status. Changing of case status is now removed from "Edit".

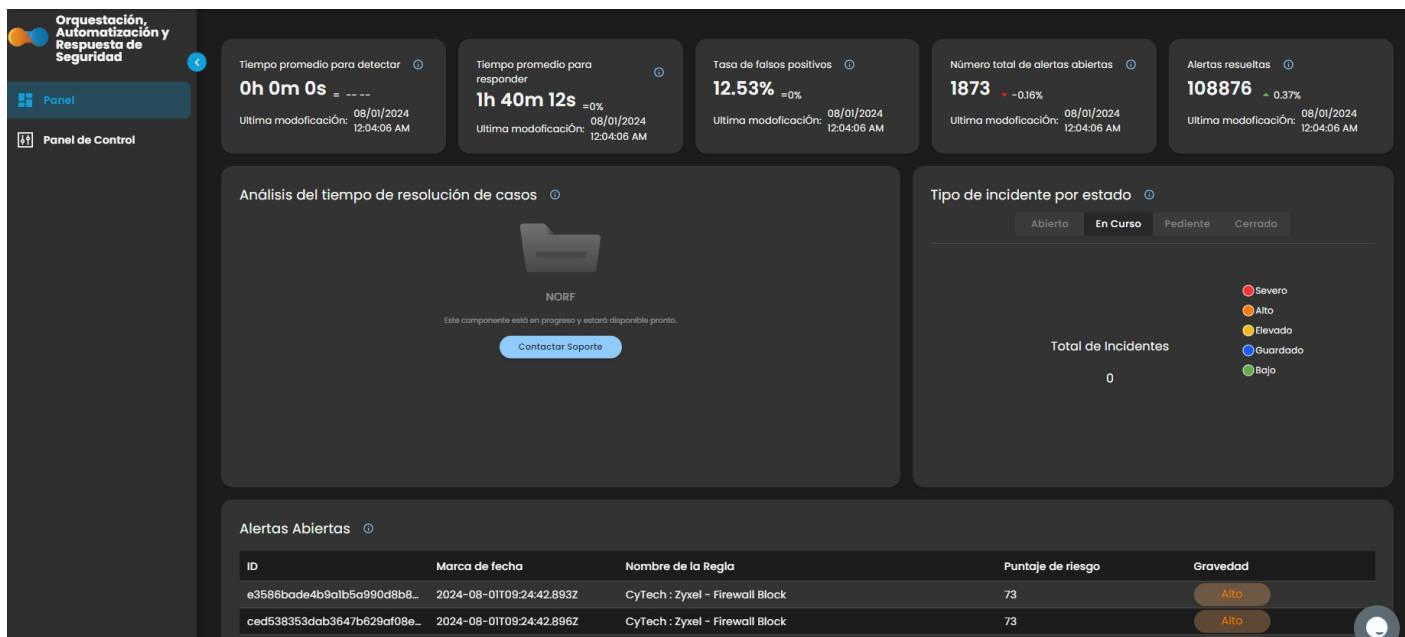

Changing of status is now only in 2 ways:

- 1) Kanban Board
- 2) Case Window

SOAR Updates:

- Spanish Translation

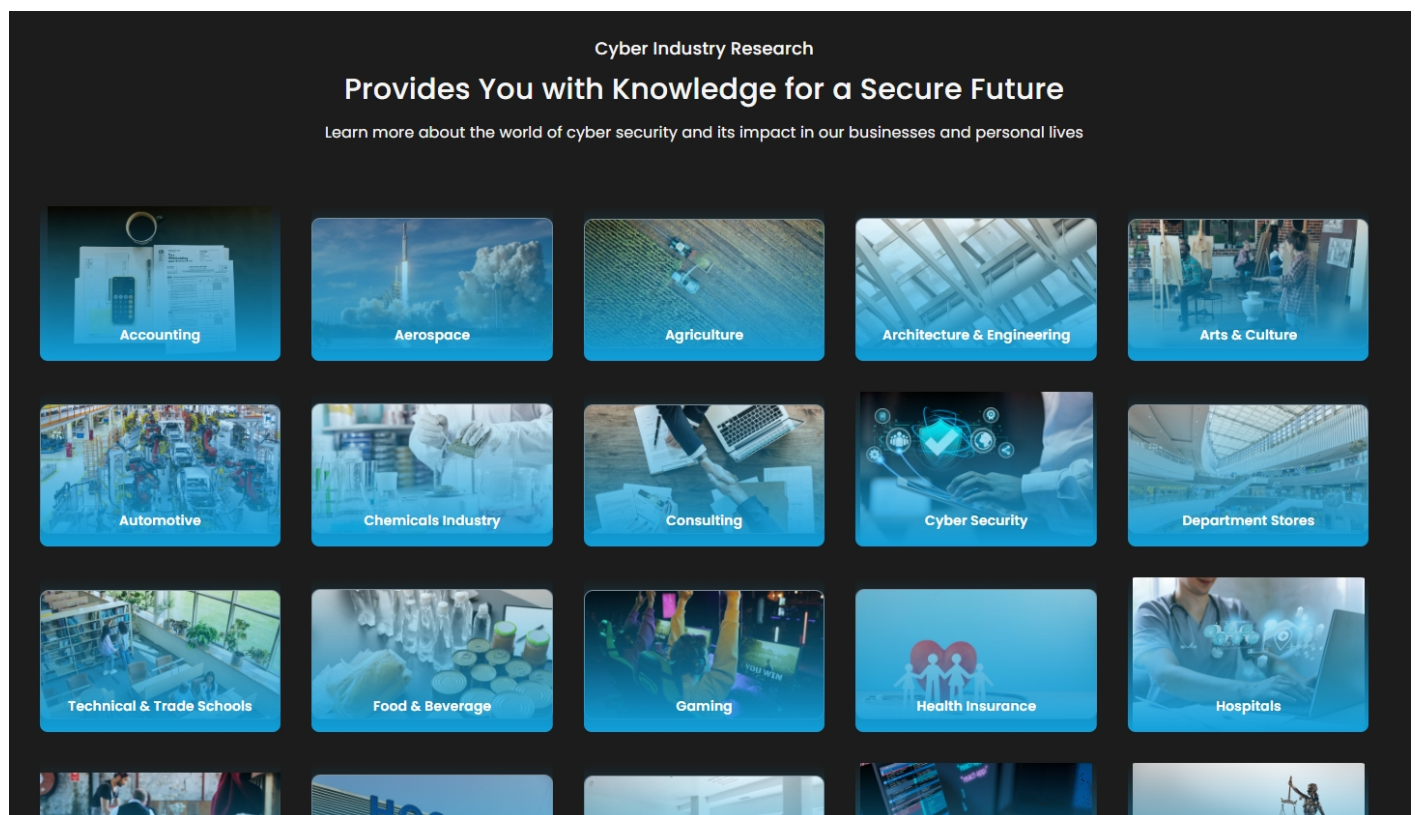

Phishing Simulation Updates:

- Bug Fixes in Recipient and Dashboard

CISO Enrichments Updates:

- Updated to be able retrieve data from Wordpress

Revision #1
