Here are the main updates of the CISO Workplace:

Compliance Updates:

Bug Fix for Evidence Preview

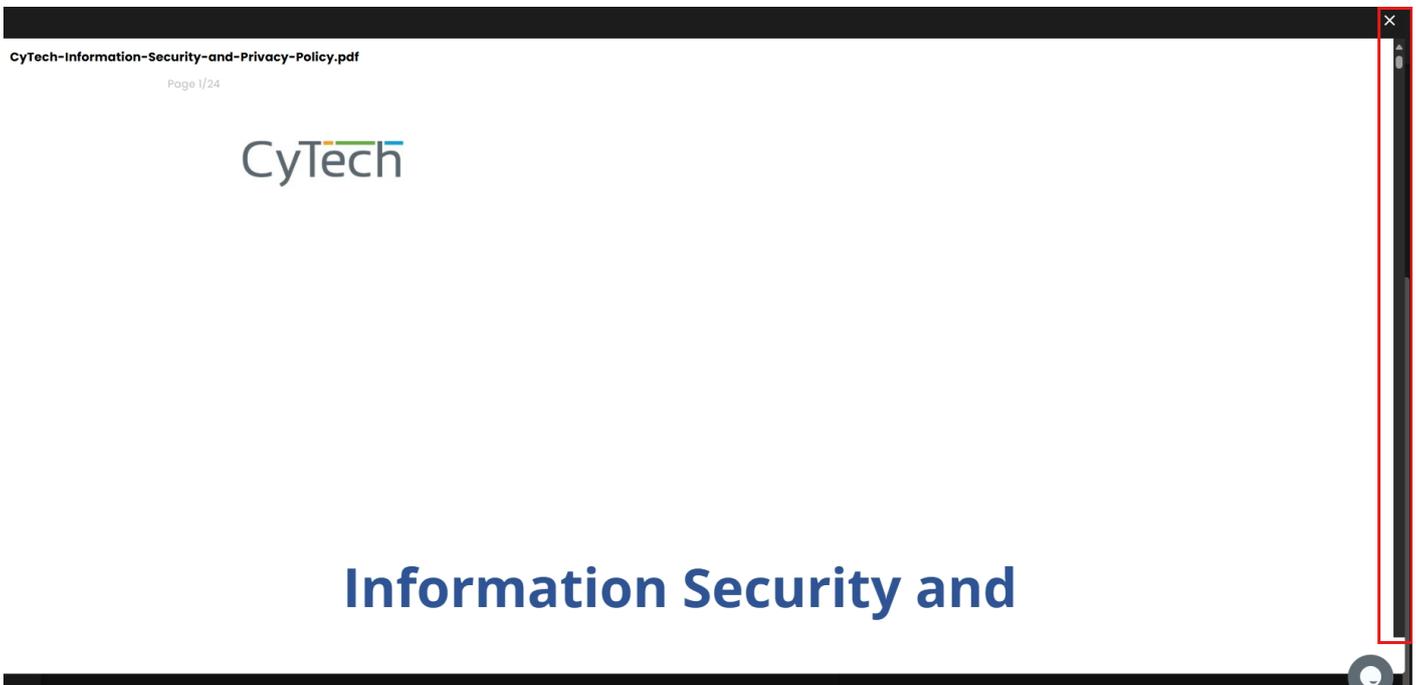

The screenshot displays the CISO Workplace interface. On the left, a table lists compliance tasks:

ID	Category	Assignee	Status	Progress	Due Date
8	Operation	[Redacted]	Fulfilled	100%	Not Yet /
9	Performance evaluat...	[Redacted]	Not Yet Started	0%	Not Yet /
10	Improvement	[Redacted]	Fulfilled	100%	Not Yet /
ANNEX A.5	Organizational contr...	[Redacted]	Fulfilled	100%	Not Yet /
ANNEX A.6	People controls	[Redacted]	Fulfilled	100%	Not Yet /
ANNEX A.7	Physical controls	[Redacted]	Fulfilled	100%	Not Yet /

On the right, the 'Evidence List' panel shows three attachments:

- ISO-27001-CyTech-Presentation.pptx
- CyTech-Information-Security-and-Privacy-Policy.pdf
- CyTech-Information-Security-Charter.pdf

Each attachment has a red box around its eye icon, indicating a bug fix for visibility.

The screenshot shows a PDF document titled "CyTech-Information-Security-and-Privacy-Policy.pdf" (Page 1/24). The document features the CyTech logo and the text "Information Security and". A red box highlights the right edge of the document viewer, indicating a bug fix for the task information view.
