

# Daily Update: August 5

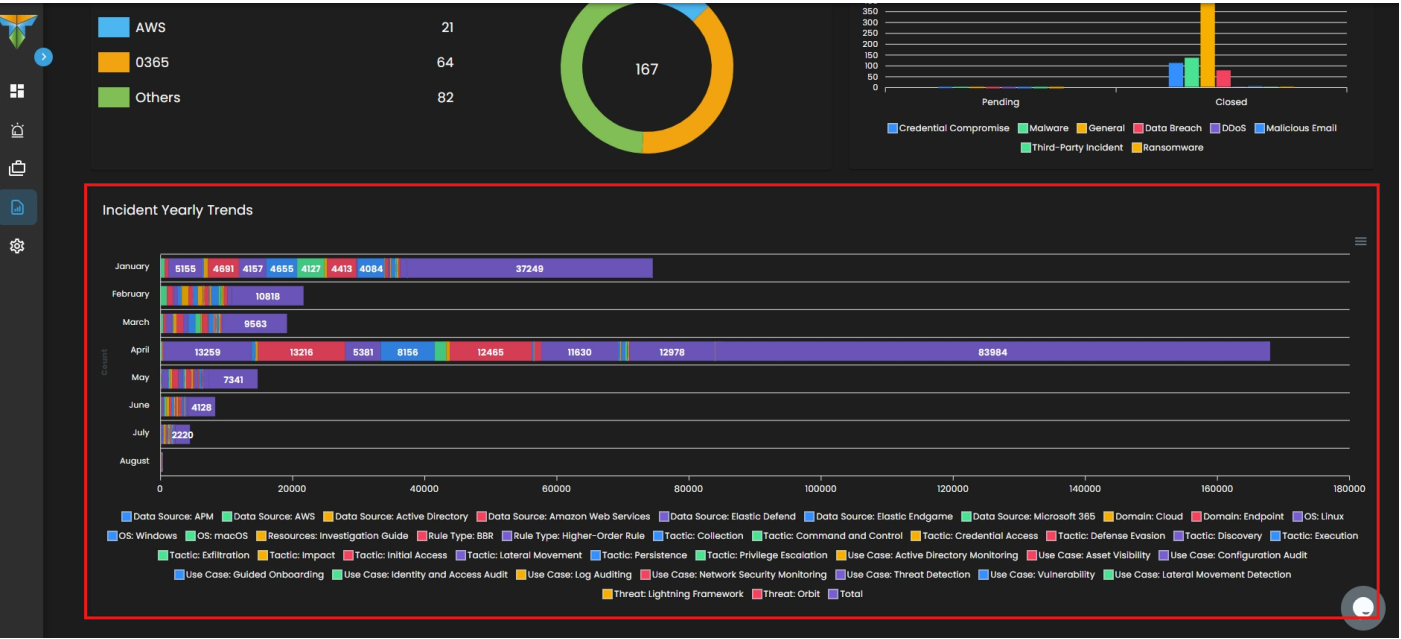

Here are the main updates of the CISO Workplace:

**CIM Updates:**

Bug Fixes in Dashboard Open Cases and Case Categories  
Data is sync with defined date

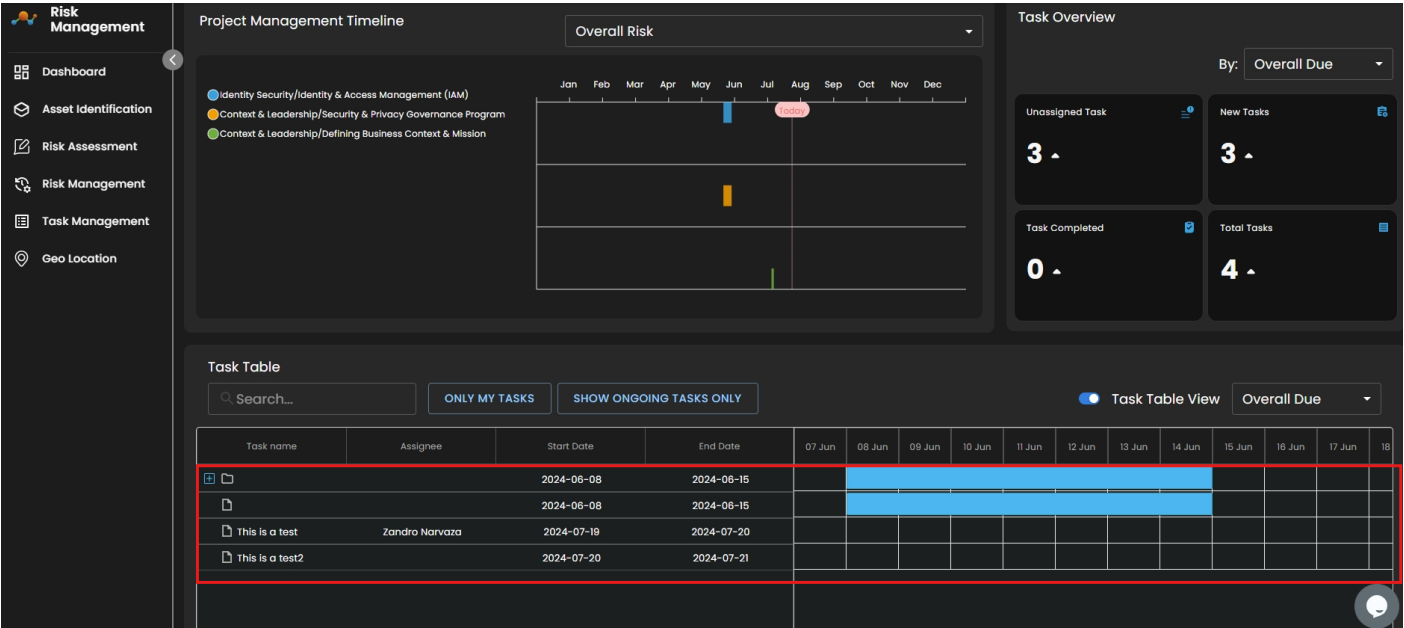

**Annual Report Improvements**

**RM Updates:**

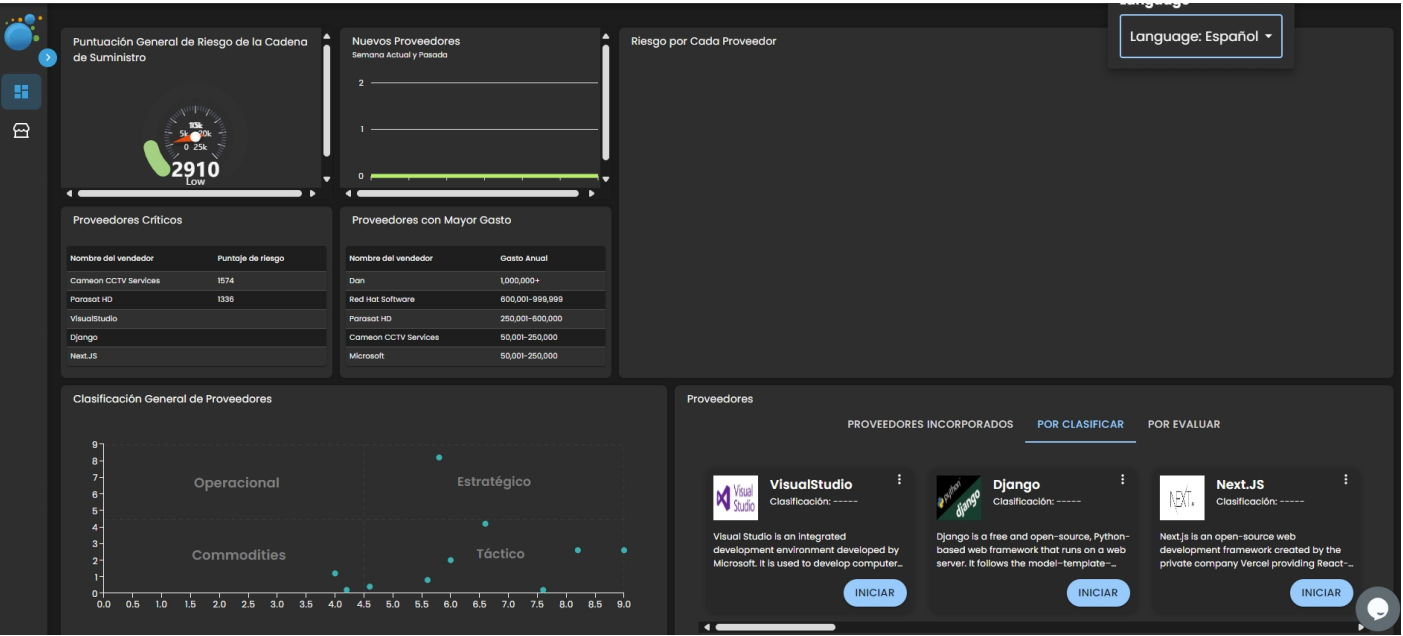

Task Management related improvements:  
Clickable Gantt Chart Items

Parent Tasks can now be referred from a task

The screenshot shows the 'Subtask' form. It includes fields for Sub Task ID (4), Title (asd), Description (No Description), Assignee (No Assignee), Start Date (N/A), End Date (N/A), and Status (New). Below these fields is a 'Check List' section with a checkbox and a button to 'Add Check List'.

**SCRM** Updates:  
Spanish Translation Support

Revision #2
