

Daily Update: September 20

Here are the main updates of the CISO Workplace:

CIM Updates:

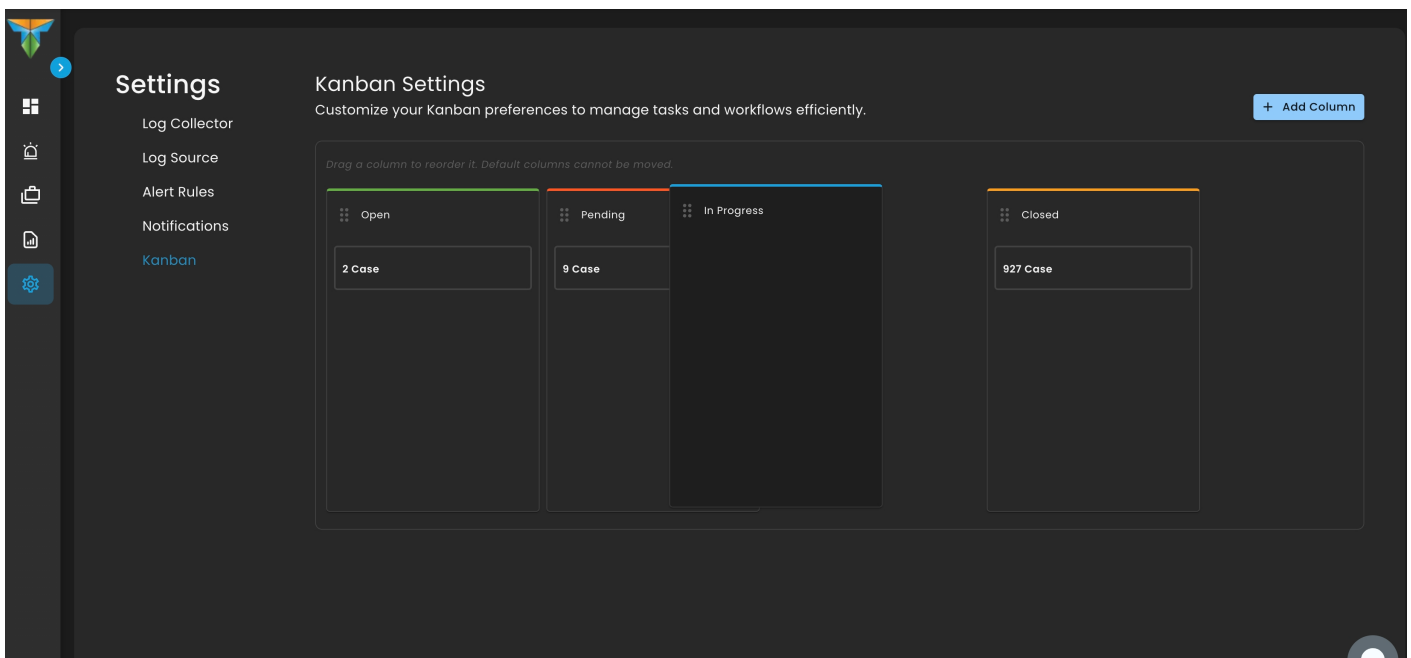

Added Add Column Setting for Kanban Board

A dark-themed modal dialog titled "Name your Column" with a close button (X) in the top right corner. The dialog contains the instruction "Enter the name of the column you want to add." Below this is a text input field labeled "Column Name". To the right of the input field, the text "0/25 Characters" indicates the character limit. At the bottom left is a "Cancel" button, and at the bottom right is a green "Submit" button.

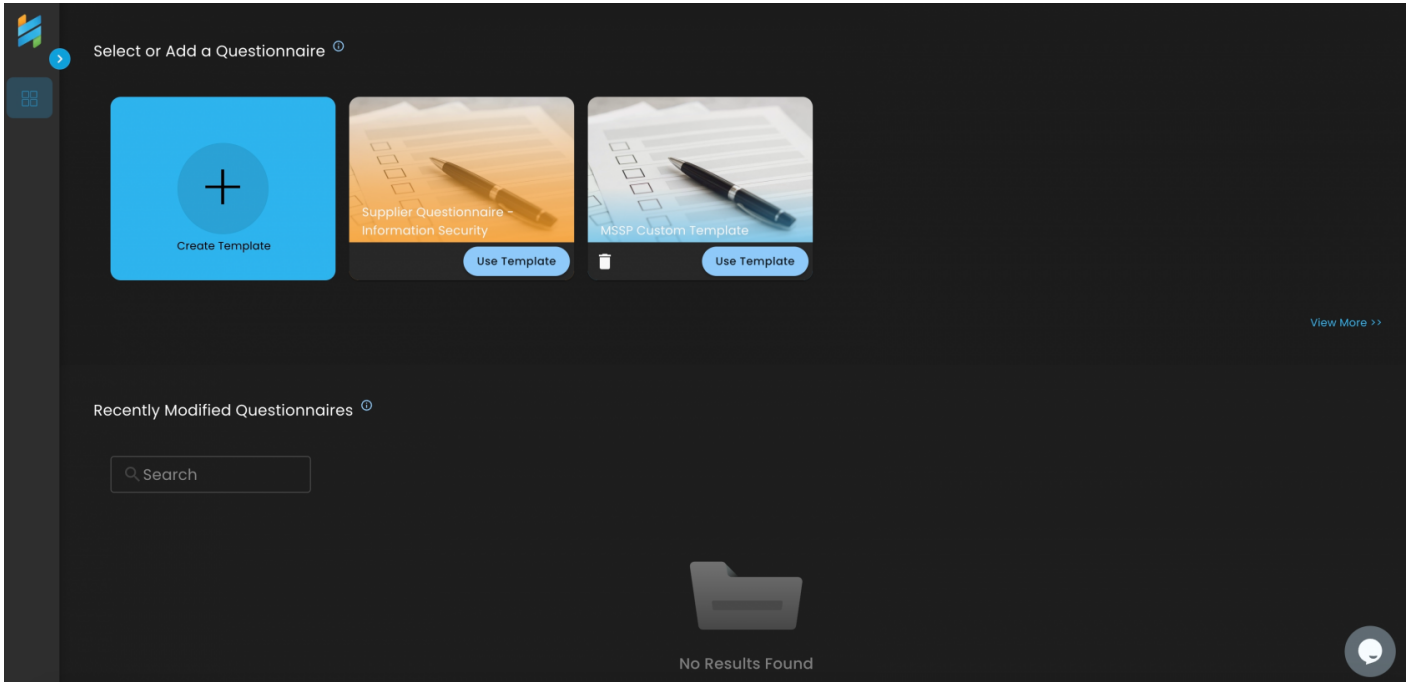

Columns are draggable when reordering of the columns is necessary

The "Settings" page features a sidebar with icons for Log Collector, Log Source, Alert Rules, Notifications, and Kanban. The "Kanban" option is selected. The main content area is titled "Kanban Settings" with the subtitle "Customize your Kanban preferences to manage tasks and workflows efficiently." and an "+ Add Column" button. A drag-and-drop interface shows four columns: "Open" (2 Case), "Pending" (9 Case), "In Progress", and "Closed" (927 Case). A hint text reads: "Drag a column to reorder it. Default columns cannot be moved."

Security Assessment Questionnaires Updates

Supported MSSP Created Questionnaires that can be set to public (can be seen by all clients under the MSSP)

Revision #1
