

Daily Update: September 20

Here are the main updates of the CISO Workplace:

CIM Updates:

Added Add Column Setting for Kanban Board

A dark-themed modal dialog titled "Name your Column" with a close button (X) in the top right corner. Below the title is the instruction "Enter the name of the column you want to add." A text input field labeled "Column Name" is centered, with a character count "0/25 Characters" displayed to its right. At the bottom, there are two buttons: "Cancel" on the left and a green "Submit" button on the right.

Name your Column

Enter the name of the column you want to add.

Columns are draggable when reordering of the columns is necessary

The "Settings" page features a sidebar with icons for Log Collector, Log Source, Alert Rules, Notifications, and Kanban. The "Kanban Settings" section is active, displaying a header with a "+ Add Column" button and a subtitle "Customize your Kanban preferences to manage tasks and workflows efficiently." Below this is a drag-and-drop interface with four columns: "Open" (2 Case), "Pending" (9 Case), "In Progress", and "Closed" (927 Case). A tooltip message states "Drag a column to reorder it. Default columns cannot be moved."
