

# New Module (August 16): Security Assessment Questionnaires

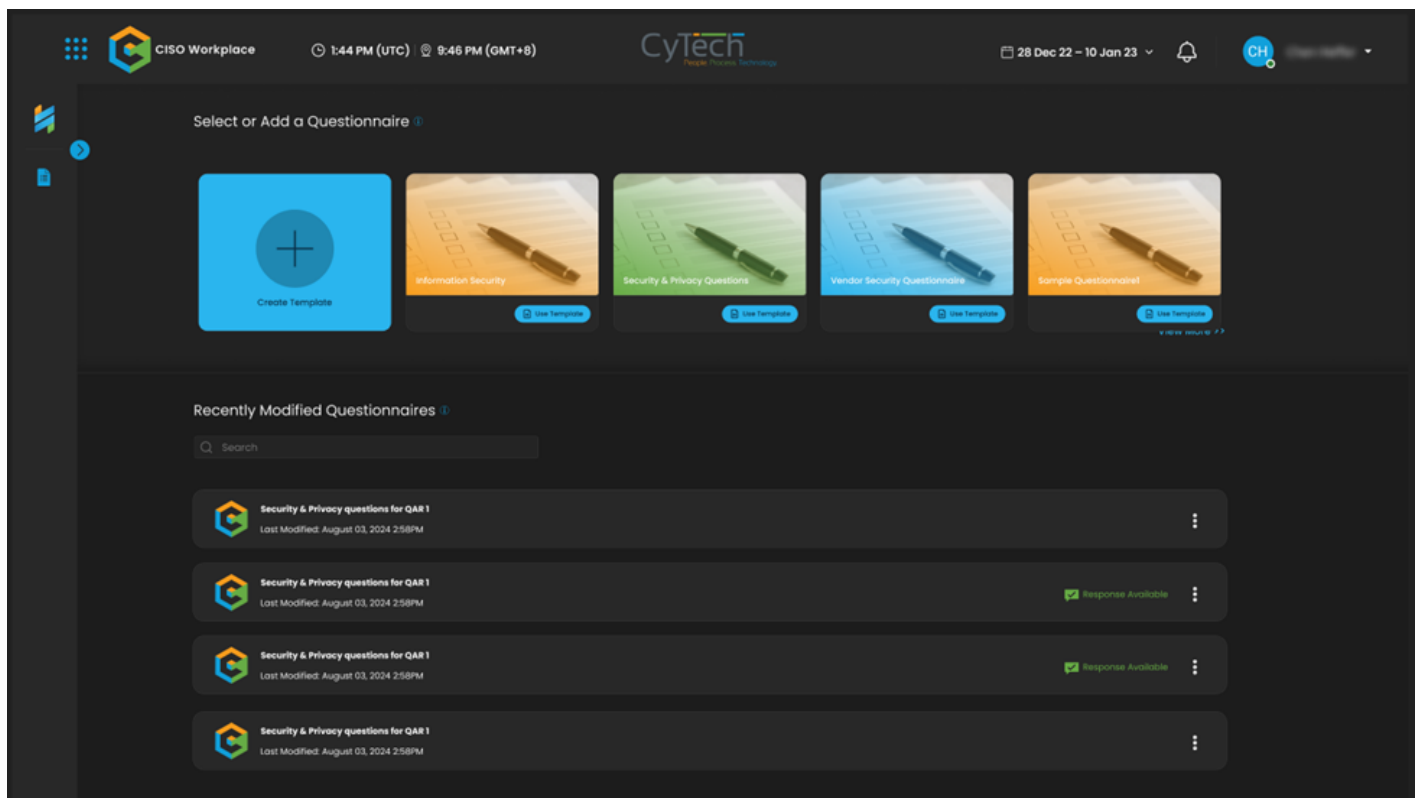

## 📅 New Module Release

We've just dropped a new module: **Security Assessment Questionnaires**

## 📅 New Features:

- **Overview**

- Select or Add a Questionnaire: Create questionnaire by selecting one of the templates
- Search bar: Allows user to search for specific questionnaire
- Recently Modified Questionnaires: List of questionnaires that the user recently made. You can delete a specific questionnaire by clicking the triple dots at the rightmost and a modal will appear. Click the delete and the question will be deleted

- **Editing Questionnaire**

- Select from templates
  - Click the “Use template” button to be redirected to the questionnaire form.
- Select from the recent modified questionnaires
- Edit the document title by clicking the edit and save buttons beside the title
- Edit each section title by clicking the edit and save buttons beside the section title
- Click “Back” or “Next” buttons to navigate to other section or just by clicking the section tabs.

The screenshot displays the 'Security Assessment Questionnaire' interface within the 'CISO Workplace' system. The header shows the time as 1:44 PM (UTC) and 9:46 PM (GMT+8). The user is logged in as 'Guest'. The main title is 'Security Assessment Questionnaire' with a subtitle 'Complete the Questionnaire to Assess Your Cyber Security Risks and Strengths'. A 'Send' button is located in the top right corner. The interface is divided into two main sections: 'Responses' and 'Questions'. The 'Responses' section is active, showing a 'Supplier Questionnaire - Information Security' form. The left sidebar contains a 'Table of Contents' with a list of sections: 'Supplier Details', 'Information Security Policy and Procedure', 'Risk Assessment', 'Employee Reliability', 'Physical Security', 'Additional Security Measures', 'The Information', 'Certification', and 'Acknowledgement'. The main form area has fields for 'Name' (ABCD Company), 'Short Description of Company' (ABCD Company is a pioneering technology company specializing in quantum computing and advanced AI solutions. Our mission is to accelerate the future by harnessing the power of quantum mechanics to solve complex problems across various industries.), 'Number of Employees' (249), 'Address' (Sample Unit, 294, Box Street, Master City, Westonia, 9001), 'Telephone Number' (1+995 2495 2045 114), and 'Years Found' (25). A 'Next' button is visible in the bottom right corner.

*Note: You don't need to fill in the questionnaires, it is for viewing purposes only*

- **Publishing Questionnaire**

- After editing the necessary titles, “Update”, “Save as draft” and “Publish” buttons will perform the following:
  - Hit “Update” button to update the existing document
  - Hit “Save as draft” to save document as draft
  - Hit “Published” to save document as active

## **To be supported:**

- Create own templates
